

AR 2605

FRAME WITH POWER SOCKETS

DESCRIPTION

Frame with five power sockets 10A and 16A / 250V to Italian and German standard (Schuko).

To install inside RCF rack enclosures, the frame facilitates the power supply of the equipment.

A portion of Omega bar applied to the side of the sockets allows the installation of accessories for a total of five Omega standard modules.

FEATURES

- 5-socket frame, Schuko and Italian standard, on back-rack support 2U
- Portion of Omega bar for installing 5 Omega standard modules
- 16A total capacity; cable included
