

# MQ 60H

TWO-WAY WALL MOUNT SPEAKER

## Description

The MQ60H is a wall mount monitor speaker designed to guarantee uniform coverage of a large area in order to limit the number of speakers and therefore the installation points. It is a two-way speaker with three transducers: the 5" woofer and the two horn-loaded dome tweeters with constant directivity are positioned in such a way as to ensure the maximum listening comfort within the area covered. Installation is carried out in two phases: first, you mount the support on the wall and make the electrical connections; when all the works are completed, you insert the speaker and make a quick connection.

## Features

- › 5" woofer with 2 x 1" dome tweeter
- › Power selectable (100 V): 30 W - 20 W - 10 W - 5 W
- › 88 dB sensitivity
- › Colour white RAL 9016 and black RAL 9005
- › Plastic body, steel grille
