TS 9918

TOUCH-SENSITIVE REMOTE CONTROL

DESCRIPTION

TS 9918 is a touch sensitive remote control mainly dedicated to MZ 8060 digital matrix units. Its 8 buttons and scroll-wheel are fully configurable using the PC Control Software and the slim-line structure allows installation in any environment. Three back-light operation modes are available according to application: night, eco, daylight.

Two kinds of configurations are possible for each remote control: Static or Dynamic. Static is when each button can work as VOLUME control and MUTE command for a single IN or a single OUT or for a GROUP of them; as GPO trigger, PRESET-RECALL or as input ENABLING command according to the pre-set priority levels. Dynamic is when the 2 groups of 4 buttons each allow you to act on input(s) and output(s) in terms of MUTE and VOLUME controls, but also to work as patch&link of any input(s) to any output(s).

FEATURES

- Slim design with glass surface
- Compatible with most of the standard electrical boxes
- Touch sensitive activation
- 8 configurable buttons
- Addressable volume
- Level Meter
- Indicators

TECHNICAL SPECIFICATIONS

General specifications	Configurable buttons:	8
	Touch screen:	Yes
	Communication:	Serial RS 485
	Functions:	Volume adjustment Mute channel and groups Preset recall Matrix node assignment
	Configuration:	RDNetups Preset recall Matrix node assignment
	Power supply:	24 V DC
Standard compliance	Safety agency:	CE compliant
Physical specifications	Cabinet/Case Material:	Plastic
	Color:	Black, White
Size	Weight:	0.22 kg / 0.49 lbs
Shipping informations	Package Height:	88 mm / 3.46 inches
	Package Width:	219 mm / 8.62 inches
	Package Depth:	156 mm / 6.14 inches
	Package Weight:	0.22 kg / 0.49 lbs
