

# MQ 90S

COMPACT SUBWOOFER

## Description

MQ 90S is a compact band-pass 8" subwoofer. It can be connected through a removable Euroblock plug that allows the parallel connection of other loudspeakers. The cabinet material is MDF with a scratch resistant surface.

The subwoofer has internally a transformer for constant voltage lines (100 or 70 V). The power selection is made by means of its selector. It is for indoor use only (avoid to use it in very humid places). It should be put on the floor of a room where "satellite" loudspeakers (for mid / high frequencies) are already present. MQ 90S belongs to RCF Monitor Q series.

## Features

- › 8" woofer
- › Power selectable (100 V): 60 W - 30 W - 15 W - 7.5 W
- › 89 dB sensitivity
- › Colour black RAL 9005
- › PVC covered chipboard and painted front MDF
- › 16 Ohm by-pass
