

DP 4

INDOOR/OUTDOOR SOUND PROJECTOR

Description

The DP 4 sound projector has an elegant appearance, easy to install and suitable for commercial and industrial environments such as supermarkets, pools, warehouses, parking lots and anywhere high-clarity, high-efficient sound is required. The DP4 has a sturdy plastic resin cylindrical body, while the clamp is in aluminium. The unit incorporates a double cone loudspeaker (externally protected by an aluminium grill) and a 100V constant voltage line transformer, with the possibility to preset the power during installation. The construction is IP 55 approved.

Features

- › Ideal for paging and background music
- › IP55 protection, suitable for outdoor use
- › Music power/RMS: 20/10W
- › 5" diameter extended range twin-cone loudspeaker
- › Built-in multi-tapped transformer for connection constant voltage 100V
- › Equipped with aluminium "U" bracket

Part Number

13000106 DP 4
