ME 3801

WALL-MOUNT EMERGENCY MICROPHONE

Description

ME 3801 is a wall-mount emergency microphone exclusively dedicated to DXT 3000 Voice Alarm system, and can be used for live announcements during emergency situations. It features complete self-diagnostic functionalities and system status reporting in compliance with EN 54-16:2008 standard. Up to four microphones can be daisy-chained on the line, the first of those has emergency functions and it is powered directly by the master unit, while the others need local 24 V DC adapters.

Features

- Live emergency announcements
- General call functionality
- Complete self-diagnostic
- Powered by master unit
- Handheld microphone with PTT button
- Robust metal case
